

UCLA Civil and Environmental Engineering

2017-2018 Career Fairs

November 2nd, 2017
February 1st, 2018

Hosted by ASCE at UCLA

Career Fairs

Registration for one or both of the CEE Career Fairs gives employers access to hundreds of the top civil engineering students. Career Fair registration includes admittance to the career fair for two company representatives, one booth reservation, one parking pass, refreshments and lunch for each representative, and a company overview in our career fair packet. Upon request, power access for any displays and additional parking passes can be made available. The different options for registration and sponsorship are shown below, with pricing for additional options shown on the next page. Please note that Career Fair fees are waived for UCLA-CEE Partners. For more information, please visit www.cee.ucla.edu/partners. Additionally, for government organizations please deduct \$200 from your selected package.

Networking Nights

Depending on the desired package, employers have access to either one or both of our new Networking Nights, which will allow them to interact with our students in a more casual setting. A Networking Night will occur the evening before each Career Fair, and appetizers and drinks will be served. Attendance to either or both of the Networking Nights will depend on which Career Fairs a company attends. Companies who make donations to Networking Night will be advertised on our website and at the event, among other perks. For more information, check the Networking Night box on the following page.

Information Sessions

Information Sessions provide an exclusive avenue for companies to promote their company and engage students in a more interactive setting. For more information on our Information Sessions, please visit <http://bit.ly/2uMOB3X>.

Sponsorship Package Breakdown	UCLA-CEE Partner	Bruin Red	Bruin Blue	Bruin Bronze ▲	Bruin Silver ●	Bruin Gold ●
