

Position Title: Civil Engineer-In Training

About Kimley-Horn:

Ranked #7 on Fortune Magazine's "100 Best Companies to Work For in America," Kimley-Horn is one of the country's premier design consulting firms, applying creativity and rigor to deliver outstanding work. With staff in over 75 offices, we offer full consulting services in a wide range of disciplines in both the private and public sectors: aviation, environmental, intelligent transportation systems, landscape architecture, land planning, transit, transportation, roads and bridges, urban redevelopment, and water resources. Kimley-Horn functions as one profit center sharing resources and profits across the nation.

Position Description:

Kimley-Horn is looking for civil engineering graduates to join our Transportation Planning and Traffic/Transit teams in our Los Angeles-Downtown, Sacramento and San Diego offices. Interested candidates must have a willingness to perform general civil engineering tasks supporting various project managers as required.

Candidates can expect to work under Professional Engineers, receive mentorship, be involved with a Young Professional organization, and collaborate on a variety of projects.

Position Requirements:

- Must be in process of completing a BS or MS from an ABET accredited university in the field of Civil Engineering.
- Strong communication, leadership and technical skills

Desired Qualifications:

- Working knowledge of AutoCad
- Possess or working towards obtaining the "Engineer-In-Training" certification
- Works well in a team environment
- Highly motivated
- Previous internship experience with a civil engineering design firm
